## PRODUCT SHEET

### ASTRAL3 BLUETOOTH

## FEATURES

### Gecko Control System

The Spa features Gecko controls, which are widely recognised across the industry as being class-leading. Designed and built in North America, Gecko is renowned for reliability, ease of use and low running costs.

### Comfort Lounge Seats

Lay back and look up at the stars in the non-float lounge seats. Our loungers are designed to hold your body firmly to the acrylic shell, giving you a perfect hydrotherapy massage. Suitable for people up to 6'3".

### LED Mood Light

The Spa is installed with the latest LED mood lighting, no matter what your mood there is a setting for it. With up to 10 different sequences from strobe to fade you will love the flexibility with this feature.

### Clear Water System

This hot tub is equipped with a state of the art no-bypass filtration system and an ozone disinfection system. Better filtration means more joy and longer product life.
